Brain Facts is a valuable resource for secondary school teachers and students who participate in the Brain Bee. These guidelines are designed to assist the pediatrician in caring for the child in whom a diagnosis of Down syndrome has been confirmed by chromosome analysis. Although a pediatrician's initial contact with the child is usually during infancy, occasionally the pregnant woman who has been given a prenatal diagnosis of Down syndrome will be referred for review of the condition and the genetic ... The Institute The departments and centres of the Institute are responsible for the academic activities which include Teaching, Research and Industrial Consultancy. The academic atmosphere at the Institute is a rare blend of modern day technical skills and the traditional emphasis on imparting knowledge. Alpha Kappa Alpha continued to grow at Howard. By the end of the 1911–12 school year, there were more than twenty members of the sorority and the organization had become an influential part of student life at Howard. Following the annual celebration "Ivy Day" on Howard campus in Spring 1912, founder and former Basileus Nellie Quander learned that all of the newly initiated members of the ...
