

# Download Ansel Adams And The American Landscape: A Biography

Ansel Easton Adams (February 20, 1902 – April 22, 1984) was an American landscape photographer and environmentalist known for his black-and-white images of the American West.. Adams helped found Group f/64, an association of photographers advocating "pure" photography that favored sharp focus and the use of the full tonal range of a photograph. With Fred Archer, he developed an exacting ...Ansel Adams, (born February 20, 1902, San Francisco, California, U.S.—died April 22, 1984, Carmel, California), the most important landscape photographer of the 20th century. He is also perhaps the most widely known and beloved photographer in the history of the United States; the popularity of his work has only increased since his death. Adams, Ansel (Feb. 20 1902 — Apr. 22, 1984), photographer and environmentalist, was born in San Francisco, California, the son of Charles Hitchcock Adams... With more than half a century of camera work behind him, Ansel Adams stands as one of America's greatest landscape photographers.
