

Download Bull Run Wall Street, The Democrats And The New Politics Of Personal Finance

Perhaps the most seismic shift of all was the "democratization" of the stock market, as middle class investors joined the party and the Democrats followed suit, effectively ending a century-old tradition in which Republicans, never Democrats, were the party most solidly aligned with Wall Street. These developments have defined the last decade and will help set the political agenda for the next. We are entering an era when the personal finance is the political. Bull Run Wall Street, the Democrats and the New Politics of Personal Finance book. Read reviews from world's largest community for readers. This lively, ... Read reviews from world's largest community for readers. Just in time for the 2000 election comes a fascinating look at how the Democrats became the party of Wall Street and how everyone became investors--and what these two things mean in the long run. Consultant skewers Democrats - 'Democrats have not taken the fight to the American public'
