

# Download Contract Law A Comparative Introduction Second Edition

Comparative law is the study of differences and similarities between the law (legal systems) of different countries. More specifically, it involves the study of the different legal "systems" (or "families") in existence in the world, including the common law, the civil law, socialist law, Canon law, Jewish Law, Islamic law, Hindu law, and Chinese law. A contract is a legally-binding agreement which recognises and governs the rights and duties of the parties to the agreement. A contract is legally enforceable because it meets the requirements and approval of the law. An agreement typically involves the exchange of goods, services, money, or promises of any of those. International Legal English Second edition is the definitive course for students who need to work in the international legal community. International Legal English Second edition teaches learners how to use English in a commercial law environment and is suitable for classroom use or self-study.
