

Download Crack : The New Drug Epidemic

The Office of National Drug Control Policy (ONDCP) works to reduce drug use and its consequences by leading and coordinating the development, implementation, and assessment of U.S. drug policy. The Opioid Epidemic has spread to every group of people in the United States. The Opioid addiction crisis claims 115 American lives daily. Drug overdoses are the leading cause of death for Americans under 50, and deaths are rising faster than ever, primarily because of opioids. In April 2016, at the height of the deadliest drug epidemic in U.S. history, Congress effectively stripped the Drug Enforcement Administration of its most potent weapon against large drug ...
