

Download Create Your Dream Home : Secrets Of Home Makeovers

Before-and-after makeovers of well-decorated rooms will inspire you to start a makeover. Start by taking a look at our real-life makeovers. These rooms were once bland or tired places, and are now beautiful spaces. Take a look at our before and after photos and gather inspiration for what could work in your home and within your budget. A new or spruced up front porch can improve a home's curb appeal and add enjoyable outdoor living space. Design your dream porch with the help of our step-by-step planning guide. Create gourmet meals while enjoying breathtaking views of the outdoors in this large open-concept eat-in kitchen. Ever dreamed of starring in one of those home-improvement television shows where a financially savvy designer magically transforms your home? Well, we made the dream of a new kitchen happen for one lucky homeowner--Diane Smith of McKinney, Texas.
