

Download Creating Spaces Of Freedom : Cultural Action In The Face Of Censorship

Governments around the world are dramatically increasing their efforts to manipulate information on social media, threatening the notion of the internet as a liberating technology, according to Freedom on the Net 2017, the latest edition of the annual country-by-country assessment of online freedom. See also U.S. Constitution: First Amendment Annotations from FindLaw. Assistance and Consultation. The staff of the Office for Intellectual Freedom is available to answer questions or provide assistance to librarians, trustees, educators and the public about the First Amendment. This article needs to be updated. In particular: Many actions of Internet censorship are reported by state-run media and third-party media. Please update this article to reflect recent events or newly available information. A powerful B12 formula fueled by the premium source of B12 - methylcobalamin - for TWICE the B12!
