Shipping out the XE and XC Scrambler 1200 models to California, Triumph enlisted the help of two guys who really know off-road riding for its promotional videos. Alex Rach from the UK and Zack Young from California got to be two of the first riders to test out the machines. Triumph in-house photographer Grant Evans documented the shoot using analogue black-and-white Ilford film. Are you driving up the day of the game? Staying overnight? My wife and I just went to our first game there and we are from Illinois. We stayed at the Sheraton (which rocked) and got a ride from one of those guys on bikes for 25 bucks. Welcome to Bikes and Bulls – The Next Chapter – Battle of the States. In 2018 we have designed a brand new show that includes never seen before acts with the same heart-stopping Bikes and Bulls entertainment that everyone loves! Pristine Wilderness Your North Georgia Adventure Beckons. Set in 3000-acres of pristine wilderness, here you'll find the freedom to have a true North Georgia experience. Watch the morning sun light up the surrounding foothills while on horseback, hike through the woodlands, bike the nature trails or take a slow, relaxing boat ride on the lake.
