Web Sources for Military History by Richard Jensen, March 2015 Jensen is a scholar with many books and articles; he was professor of history for over 35 years at several schools, including the University of Illinois, Harvard, Michigan, West Point, and Moscow State University. Le Beechcraft Model 18 est un bimoteur de transport léger américain développé durant l'Entre-deux-guerres. Produit en très grande série durant la Seconde Guerre mondiale comme avion de transport mais aussi d'entraînement, il a connu une très longue carrière, les derniers exemplaires sortant d'usine en 1969. Outre des versions spécialisées comme le Beech AT-11 Kansan, le Twin Beech a ...
