

Download Educational Aspects Of Behavioral Problems In Children And Youth, Volume One

The problem that are affecting youth today is civil wars especially in the African continent, child soldier recruitment, subjection to untold suffering, forceful early marriages, poor formal education, living a refugeeAbstract. Children who have suffered early abuse or neglect may later present with significant behavior problems including emotional instability, depression, and a tendency to be aggressive or violent with others. The problematic behavior of children and youth with EBD tends to be A) exhibited more often in highly structured environments. B) a psychological processing problem.
