Parents in Charge: Setting Healthy, Loving Boundaries for You and Your Child Dana Chidekel. 4.3 out of 5 stars 8. Hardcover. \$32.95. Parenting: Easy and Effective Guide to Be the Best Parent You Can Be Rose Elswood. 4.0 out of 5 stars 3. Paperback. \$6.99. For example, kids who have parents that expect them to go to college—usually do. Parents manage the child in a way that nurtures academic achievement while their kids work to maintain good grades so they can go to college. Establishing realistically high expectations points your children in the direction of success. 3. Parenting tips: 5 strategies to feed your child healthy food if he/she is a picky eater Description: Things get difficult when children throw tantrums related to their food, and are extremely picky and choosy in what they eat. Want your children to eat healthy foods? ... Research shows that children who eat dinners at the table with their parents have ... and it's an uphill battle for parents," Sothorn tells WebMD.
