

Download Gaining Through Losing

????????? ?????????????? ????? ?????? ?????? ??? ????? ??? ...When I told her that these types of dreams were usually symbolic of change she e-mailed me back, listing the following changes she'd gone through in the past 3 months: While the interior of East Antarctica is gaining land ice, overall Antarctica is losing land ice at an accelerating rate. Antarctic sea ice is growing despite a strongly warming Southern Ocean. Wife loses weight and becomes the eye of hubby's friends.
