Mistress Training Guide ... (I.e. a perfect slave or husband do you want him to only be a cuckold or a perhaps a sex slave or even just a house slave.) 2. He must admit that he wants you to dominate him. (This is an important step allowing him to come to terms with what he truly wants.) Tell him he will be used to please your desires. Many people outside the community look at training as slave training. This is a very unfortunate mistake. Your submissive husband is not only willing, but it is usually his need that starts the DS relationship. Training is really about refocusing his sexual desires from his own pleasure to yours. It is not to make him less, but instead more. Though there is a component of training that can be rote, giving reasons will both reinforce the activity and make it more meaningful to the slave. This step could also be written as “Train holistically.” Let your training include the mind as well as the spirit and the body and every other aspect of human life. 9. Punish when necessary. Whatever your experience level or expectations, this guide will provide you with a step-by-step blueprint of exactly what you need to do to train your submissive partner(s), and have him/her ...
