Whitman served as President and Chief Executive Officer of Hewlett Packard Enterprise. Whitman was a senior member of Mitt Romney's presidential campaigns in both 2008 and 2012 and ran for governor of California as a Republican but supported Hillary Clinton in 2016. A typical soil is about 50% solids (45% mineral and 5% organic matter), and 50% voids (or pores) of which half is occupied by water and half by gas. The percent soil mineral and organic content can be treated as a constant (in the short term), while the percent soil water and gas content is considered highly variable whereby a rise in one is simultaneously balanced by a reduction in the other. Although consumer behaviour (CB) is one of the most researched areas in the field of tourism, few extensive reviews of the body of knowledge in this area exist. This review article examines what we argue are the key concepts, external influences and opportune research contexts in contemporary tourism CB research. Using a narrative review, we examine the CB literature published in three major ...
