

Download Htc Inspire Hard Reset Wont Work

Resetting the HTC Inspire 4G Performing a factory reset using phone buttons If you can't turn on your phone or access the phone settings, you can still perform a factory reset by using the buttons on the phone. Hey Everyone, I've got a problem. During an update of some of my apps (Maps/Locations/etc.) my phone froze and I did a soft reset, after which it didn't get further than the white screen with the green HTC letters, after some time normally it would show "quietly brilliant" but it freezes at the green letters.
