Le Corbusier: Le Corbusier, internationally influential Swiss architect and city planner, whose designs combine the functionalism of the modern movement with a bold, sculptural expressionism. He belonged to the first generation of the so-called International school of architecture and was their most ableThere are lots of reasons why cities come into being. The first might be a purely practical one, as is the case with metropolises founded near fertile rivers, lakes or land. Another might religious or spiritual: cities born on mythical or sacred places, like Mexico City. Then there are cities born ...Chandigarh (local pronunciation: [tʰʌʃiːɡɑːr]) is a city and a union territory in India that serves as the capital of the two neighbouring states of Punjab and Haryana. The city is unique as it is not a part of either of the two states but is governed directly by the Union Government, which administers all such territories in the country.
