

# Download Leopard In The Grass

Course Description: . Situated in Mafikeng, the capital of North West Province, this skilfully-constructed course is like an oasis in the desert with water coming into play at eight of the 18 holes.ABOUT US. Dr. Rodney Jackson and Darla Hillard with snow leopard cub, “Jackson” (photo: Robbi Pengelly- Sonoma Index Tribune)

Dr. Rodney Jackson, Director of the Snow Leopard Conservancy, is widely considered the leading world expert on the snow leopard, having devoted over 30 years to researching and conserving this elusive cat in South and Central Asia.Leopard tortoises are native primarily to the grasslands regions in eastern and southern Africa. Being herbivores, the leopard tortoise diet consists of grasses, weeds, succulents and young leaves from bushes and shrubs.Leopard Tortoise (*Stigmochelys* [*Geochelone*] *pardalis*)The leopard tortoise is the second largest tortoise native to Africa. Only the African spurred tortoise is larger. Two subspecies are generally recognized.
