Lexicon Building Systems Ltd April 28, 2011 · Southern California Association of Governments (SCAG)..CAG is the largest Metropolitan Planning Organization (MPO) in the United States, spanning 18 million people within 38,000 square miles. Lexicon is located in Midtown Manhattan, an area of New York City hosting such landmarks as Rockefeller Center, Broadway, and Times Square. Midtown's East Side is home to some of the city's most notable buildings, such as the Chrysler Building, St. Patrick's Cathedral and Trump Tower. For many people new to coffee cupping, other food products like wine, chocolate, cheese, and beer are all helpful points of reference for lexicon-building. But even if tasting mindfully is new to you, Judith points out that you're not starting from ground zero.
