Black feminism is a school of thought stating that sexism, class oppression, gender identity and racism are inextricably bound together. The way these concepts relate to each other is called intersectionality, a term first coined by legal scholar Kimberlé Crenshaw in 1989. In her work, Crenshaw discussed Black feminism, which argues that the experience of being a black woman cannot be ...The Black Panther Party (BPP), originally the Black Panther Party for Self-Defense, was a political organization founded by Bobby Seale and Huey Newton in October 1966 in Oakland, California. The party was active in the United States from 1966 until 1982, with chapters in numerous major cities, and international chapters operating in the United Kingdom in the early 1970s, and in Algeria from ...The History, Theory & Praxis of the Left in the 1960s: A Basic Bibliography Patrick S. O'Donnell (2018) This bibliography is not exhaustive owing, in part, to three constraints: books, in English, with a largely (thus not exclusively) North American orientation.Independently, the study of whiteness and the study of time are important interventions in sociology. A solid foundation for any empirical investigation of the relationship between whiteness and the racialized temporalities of racialized youth,
