

Download Lord Of The Rings The Hobbit Boardgame

Lord of the Rings - Limited Edition A special edition limited to 500 copies in the English language and 250 in German published by Sophisticated Games and Kosmos in November 2001. The Limited Edition has a silver 22 carat gold plated ring, pewter Hobbit playing pieces, and a signed and numbered John Howe print. Box signed by Reiner Knizia. The game is actually played in the game box. The board is "3D" in that there are tiered areas and freestanding icons of trolls, spiders, elves, Smaug and Gollum. High roller starts to move his/her hobbit across the board. The objective is to reach the last space on the board by exact dice roll. Foils to this are losing a turn (if another ... The board game was highly unusual when it was published, because it is a cooperative board game — each player plays a hobbit in the party, and the party will succeed or fail as a group to destroy the One Ring, thus winning or losing the game.
