

Download Luther And German Humanism (collected Studies Series, 507)

The particular interest of Professor Spitz has been the close relationship and synergy between humanism and religious reform in the transformation of European culture in the 16th century. Within the general cultural and intellectual context of the Renaissance and Reformation movements, the present volume focuses on Luther and German humanism; a subsequent collection looks more particularly at ...The first title in the Variorum Collected Studies series was published in 1970. Since then well over 1000 titles have appeared in the series, and it has established a well-earned international reputation for the publication of key research across a whole range of subjects within the fields of history.Luther and German humanism.
