

# **Download Making It In America: The Life And Times Of Rocky Aoki, Benihana's Pioneer**

I love Benihana. It isn't the food that does it for me; not the USDA Choice steak and certainly not the chicken (though I'll admit I'm a sucker for shrimp of any kind, for Benihana's bad dipping sauces, for the mushrooms that are invariably over- and undercooked at the same time). How did we find the 101 dishes that broke the restaurant mold and forever changed the flavor of America? We looked for dishes that have been endlessly adopted or outright copycatted on other menus ...
