

Download Marine Policy And The Coastal Community : Studies In The Social Sciences

Launched at the second Society and the Sea conference: The values of the ocean and coasts for sustainable development. A new network for Social Scientists. Novel holistic community-centred concept of a marine park for coastal cities. • Innovative blue urban social policy for enabling, empowering and deepening citizen relationship with the city seascape. The eastern Aegean region is home to a large number of marine mammals which are classified either as at risk or data deficient. This habitat is in desperate need of protection, as it is subjected to a wide range of anthropogenic threats. [Link to Departments website](#). The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.
