Welcome. We believe that the Church is powerful and has an incredible destiny just waiting to be fulfilled. We're a biblically-based evangelical Christian ministry dedicated to bringing Holy Spirit renewal and empowerment to Christians, churches, and missionary organizations as they seek to fulfill their callings and ministries for Jesus Christ, to the glory of God. Once the Spirit's infilling is received the recipient's witness will be with power, and their life will be changed into the likeness of Jesus.
