Next time you're camping at High Cliff State park or hanging on to an inner-tube behind a boat on Lake Winnebago, think about this story. When the Winnebago Tribe had its villages on the shores of the lake, they would tell stories of a very large fish – which most people assume was a sturgeon. Games. Monsters are commonly encountered in fantasy or role-playing games and video games as enemies for players to fight against. They may include aliens, legendary creatures, extra-dimensional entities or mutated versions of regular animals.. Especially in role-playing games, "monster" is a catch-all term for hostile characters that are fought by the player. Monsters is a syndicated horror anthology series which originally ran from 1988 to 1991 and reran on the Sci-Fi Channel (now known as Syfy) during the 1990s.. The series shares a producer (Richard P. Rubinstein) with Tales from the Darkside, and in some ways succeeded the show (which ended the same year it began). It differed in some respects nonetheless.
