

# Download Multilateral And Regional Trade Issues For Developing Countries

The EU is firmly committed to the promotion of open and fair trade with all its trading partners. The EU has specific trade policies in place for all its partners and abides by the global rules on international trade set out by the World Trade Organisation. Regional trade agreements (RTAs) cover more than half of international trade today, operating alongside global multilateral agreements under the World Trade Organization (WTO). In recent years, many countries have actively sought to establish new – and often more modern and progressive – bilateral and regional trade agreements that aim to increase trade and boost economic growth. Academia.edu is a platform for academics to share research papers. This part of the [globalissues.org](http://globalissues.org) web site looks at the reality of free trade and the impacts it has on us.
