We have now placed Twitpic in an archived state.Birth control, also known as contraception and fertility control, is a method or device used to prevent pregnancy. Birth control has been used since ancient times, but effective and safe methods of birth control only became available in the 20th century. Planning, making available, and using birth control is called family planning. Some cultures limit or discourage access to birth control ...BibMe Free Bibliography & Citation Maker - MLA, APA, Chicago, Harvard
