P&O Cruises ships sail on mostly round-trip itineraries leaving from UK (Southampton, April through October), Caribbean (from Barbados, during winter) and from Australia (Sydney, Melbourne, Brisbane - year-round departures). A cruise ship is a passenger ship used for pleasure voyages when the voyage itself, the ship's amenities, and sometimes the different destinations along the way (i.e., ports of call), form part of the passengers' experience. By driving or taking the train from Fort William and then getting the ferry from Mallaig to Skye, you can take one of the most famously scenic journeys of the west Highlands: full details on the official Road to the Isles web site. Cunard Line is a British–American cruise line based at Carnival House at Southampton, England, operated by Carnival UK and owned by Carnival Corporation & plc. Since 2011, Cunard and its three ships have been registered in Hamilton, Bermuda.
