SLOW HORSES Shortlisted for the 2010 Ian Fleming Steel Dagger Award “Let us be clear about this much at least: Slough House is not in Slough, nor is it a house...” Laminitis is a disease that affects the feet of ungulates and is found mostly in horses and cattle. Clinical signs include foot tenderness progressing to inability to walk, increased digital pulses, and increased temperature in the hooves. Introduction. It's 19th January 2003 and whilst driving along Dedworth Road I saw the rubble that was once The Wolf Public House (late The Dedworth Arms or The Maypole). Hailing from Newcastle upon Tyne in the United Kingdom, the British author Mick Herron is well known for his short stories as well as his novels, which he has been writing for some time now, including his famous Sarah Tucker/Zoe Boehm series.
