to the next or previous ...In the seven decades from its establishment in 1775 to the commercialization of the
electric telegraph in 1844, the American postal system spurred a communications revolution no less far-reaching
than the subsequent revolutions associated with the telegraph, telephone, and computer. In the seven decades
from its establishment in 1775 to the commercialization of the electric telegraph in 1844, the American postal
system spurred a communications revolution no less far-reaching than the subsequent revolutions associated
with the telegraph, telephone, and computer. Spreading the News tells the story of that revolution and the
challenge it posed for American business, politics ...EH.NET BOOK REVIEW . Published by H-Business . and
