

Download The Dream Encyclopedia 2nd Edition

In my 20 years of dream work, I have found that the best source for dream symbols is the individual dreamer. You don't need a dictionary, unless you simply want to be entertained. After I bought this book, I tossed every other dream book I had. Tackling nearly three hundred topics that commonly occur in dreams and offering interpretations for each of them, "The Dream Encyclopedia" breaks down each symbol and explains why one's mileage may vary on certain symbols. Offering much food for thought, "The Dream Encyclopedia" is very much recommended to the curious or professional reader. The Dream Encyclopedia [James R Lewis, Evelyn Dorothy Oliver] on Amazon.com. *FREE* shipping on qualifying offers. Exploring the fascinating world of dreams, this comprehensive reference examines more than 250 dream-related topics. A comprehensive reference, The Dream Encyclopedia provides a thorough treatment and a unique analysis of dream-related topics. Of particular interest is the discussion of the importance of dreams in various religious and ethnic groups around the world.
