

Download The European Economy Growth And Crisis

The European debt crisis is the shorthand term for Europe's struggle to pay the debts it has built up in recent decades. Five of the region's countries – Greece, Portugal, Ireland, Italy, and Spain – have, to varying degrees, failed to generate enough economic growth to make their ability to pay back bondholders the guarantee it was intended to be. A study of the economic development of Western Europe from the early 1950s to the late 1970s. The analysis centres on two major questions: what forces propelled Europe to unprecedented growth rates Read more...
