

Download Transformation Change The Marketplace And You Change The World

Briefly, the Industrial Mindset views all change as a predictable and controllable set of discreet events that can be managed through external force. With so much change happening in organizations, most leaders have been more interested in rushing to action than providing thoughtful oversight, methodology, tools, and infrastructure to ensure that all organizational change is led effectively and produces the greatest outcome. Transformation. Never more relevant. Intelligent technologies are accelerating the pace of change in the world. How people live their lives has shifted. Note. This publication has 3 parts: the Government Transformation Strategy (this document) detail, covering background, vision, scope and objectives, government beyond 2020 and the role of the ...
